

Platformsify – Extra Information Summary for Funding Application We are a pre-revenue startup operating under UMAIR-ZARA LTD (Reg: 16789887), with a fully developed business plan, pitch deck, and investor-ready strategy. Our platform, Platformsify, is designed as a digital marketplace for AI-powered services and freelancers, focused on a commission-based model to democratize access to AI and skilled freelance work. Key Highlights: - Offering early investors 10–45% of profit shares, while retaining 100% company ownership (non-equity model). - Full business and financial model completed. - Ready-to-launch monetization strategy including commission tiers, global pricing, and enterprise options. - Compliance-ready documents: Certificate of Incorporation, Business Plan, Pitch Deck, Trust & Transparency policy. - Multi-phase roadmap prepared with AI integration and marketplace expansion. - Actively building partnerships and marketing strategy for launch. We believe Platformsify is uniquely positioned to deliver high-value, scalable growth in the generative AI + gig economy space, especially with an inclusive pricing model for users worldwide. Thank you for considering our application.
